10. (Unclassified - GLC) Mr. Wymberley Coerr, Deputy Director INR, State Department, called and asked if he could meet with us at the Agency tomorrow afternoon to discuss various legislative proposals in which we both have mutual interest. The meeting was set for 3:30 p.m. on Wednesday and subsequently changed to 4:00 p.m. Friday afternoon.

11. (Secret - GLC) Delivered to Ed Braswell, Chief Counsel, Senate Armed Services Committee, the memorandum containing additional information on entitlements and other arrangements for Thai volunteers in Laos. I was very specific with Braswell that this document was provided for Senator Stennis' information and his and was not to be used in any secret sessions of the Senate in its present form. I told him I understood the State Department was providing him with a piece on Laos which covered this subject in somewhat less detail in response to his request to State for material for use in a secret floor debate. I told him I had seen a draft of this paper and thought it was quite good. Braswell said State had in fact delivered the paper to him but that he had not had an opportunity to study it in detail. He glanced over our paper but made no comment on it.

I also left with Braswell a copy of an OSR paper comparing the performance and capabilities of the Soviet "Backfire" and U.S. B-1 bomber.

25X1A 12. (Secret - GLC) Hand-carried to the Joint Committee on Atomic Energy the latest [REDACTED] to date).

I also alerted George Murphy, of the Committee staff, to Soviet preparations for a new underground nuclear test.

13. (Unclassified - GLC) Returned to C. B. Morrison, on the staff of Senator Allen Ellender (D., La.), the Senator's index cards on reels 1-7 of the movie film which he took on his trip abroad in 1956. Morrison said he had not located reel 7 of this film but would let us know as soon as he had it in hand.
